

EXTRA PAY TO ARMY OFFICERS—GENERAL SCOTT.

LETTER

FROM

THE SECRETARY OF WAR,

TRANSMITTING

The information required by the resolution of the House of Representatives of 28th of January last, in relation to extra compensation allowed to officers of the army, &c.

DECEMBER 13, 1842.

Read, and laid upon the table.

WAR DEPARTMENT, *December 7, 1842.*

SIR: The resolution of the House of Representatives of the 28th of February last, "requiring the Secretary of War to report to the House all cases in which extra compensation has heretofore been allowed to other officers of the army for services similar to those rendered by General Scott, for which he is said to have received extra allowance; and also that the Secretary of War report to the House the names of such officers of the War Department and of the army, including paymasters and Governors of Territories, who have received extra allowance, the time when received, the amount of the extra allowance paid to each, the service for which the extra allowance was claimed, and the authority under which it was made," has engaged the attention of the Second and Third Auditors since it was received by this Department. As the resolution embraces all the time since the organization of the Government, the investigation requires great care and labor. I have now respectfully to transmit, herewith, the report of the Second Auditor, embracing all extra allowances described in the resolution, settled in his office since its establishment in 1817. The Third Auditor states that all the clerks of his office who could be detached from other duties have been constantly employed in preparing an answer to this resolution, and he cannot yet state when it will be completed. As soon, however, as his report is made, it will be communicated, in full compliance with the resolution.

Very respectfully, your obedient servant,

J. C. SPENCER.

HON. JOHN WHITE,

Speaker of the House of Representatives.

TREASURY DEPARTMENT,

Second Auditor's Office, December 2, 1842.

SIR: Agreeably to a resolution of the House of Representatives of the 28th of February, 1842, requiring the Secretary of War to report to that House all cases in which "officers of the War Department and of the army, including paymasters and Governors of Territories, who have received extra allowance, the time when received, the amount of the extra allowance paid to each, the service for which the extra allowance was claimed, and the authority under which it was made," and which was referred by you to this office, I have the honor to transmit, herewith, a statement, exhibiting the facts as far back as the records of this office extend—to 3d March, 1817.

Much time has been consumed in answering this call, but there has been no unnecessary delay. The labor expended in the preparation of the statement has been very great. About 30,000 settlements, many of them very voluminous, had necessarily to be subjected to the strictest scrutiny, occupying the undivided time of two or three of the most experienced clerks in the office during the whole period.

I have the honor to be, with great respect, sir, your obedient servant,
W. B. LEWIS.

Hon. J. C. SPENCER,
Secretary of War.

A statement, prepared from the records of the office of the Second Auditor, exhibiting "the names of such officers of the War Department and of the army, including paymasters and Governors of Territories, who have received extra allowance," the time and service for which the extra allowance was claimed, the amount received, and the authority under which it was made, including the period between the 3d of March, 1817, (the date of the present organization of this office,) and the 31st December, 1841; furnished in compliance with the second paragraph of a resolution of the House of Representatives of the 28th February, 1842.
